NORTHEASTERN RURAL HEALTH CLINICS

This notice is to advise all patients of our existing “No Show” policy and payment policy.

No Show Policy:

Our goal at Northeastern is to provide the best services to our community. When an appointment is missed it keeps another patientfrom being seen in a timely manner. With the number of “No Show” patient appointments on the rise, ***we require*** a 24-hour notice if youare unable to make your scheduled appointment. We will allow voicemail cancellations as long as they are received before the office opens at 7:00 a.m. After repeated no show appointments, future scheduled appointments will be at the discretion of your provider. You may be receiving a letter outlining your future appointments signed by your provider or the Medical Director. As an alternative youcan elect to be seen as a walk in patient in Urgent Care (with the exception of those seeking refills on prescriptions).

Payment Policy:

All payments, including co-pay, are due at the time of service. If you are unable to make a payment at the time of visit, your appointment may be rescheduled.

We appreciate your understanding concerning this matter and with your cooperation we will be able to continue providing our community with the many services we offer.
